Tech 400

INDEX TO VOLUME LXXXV.

July 1 to December 31, 1906.

A

*Aarts and Kramers Water Gas Plant at Zevenbergen Gas Works, Report on the..... 280
Additional Business System of Cost, The Making of Rates and the, by W. H. Gardiner, Jr..... 2
Address of President L. L. Kellogg, Iowa Gas Association.. 623
Address of President W. H. Barthold, Michigan Gas Association..... 672
"A" Dry Gas Meters, Large Capacity or, by A. G. Holmes. 365
Advertising Charge to Secure New Business, The Question of..... 589
American Gas Institute, First Annual Meeting.....754, 798, 842, 886, 930, 974, 10 8, 1062, 1105, 1150
American Gas Institute, The, by F. H. Shelton..... 535
Ammonia, Tar and Gas from By-Product Coke Ovens, The Disposal of..... 541
*Ammonia, The Manufacture of Sal Ammoniac Chloride of, by R. W. Hilgenstock..... 849
Analysis, Gas, Simple Methods of, by S. J. B. Tully..... 498
*Anemometer and Gas Pressure Recorder, The Lander..... 721
*Apparatus for Flushing Hydraulic Mains of Coal Gas Benches..... 809
Appliances, Gas, Should Gas Companies Engage in the Sale of? by W. B. Cline..... 760
Application of Appliances to Water and Steam Boilers, The, by R. Monroe..... 447
Arc Lamps, Gas, Something About, by Bert Mason..... 626
*Arc and Incandescent Lights, Concerning, by "R."..... 808
*Arcs, Gas, Defective Installation of, by "R."..... 983
Art of Canvassing, by John Clements..... 939
*Aue, J. E., Gas Engines for Power Purposes, Large..... 1024
Averill, A. T., Ammoniacal Liquor Plants, Results Obtained from the Operation of..... 667
Ayer, James I., Eletric Heating..... 544

B

Barnes, J. M., and A. H. White, Naphthaline, The Removal of, from Coal Gas—Third Paper..... 579
Barthold, W. H., President Michigan Gas Association, Address of..... 672
*Benches, Coal Gas, Flushing Apparatus for Hydraulic Mains of..... 809
Berkley, J. M., Gas Companies and their Employees, The Relations between..... 274
Boilers, Low Pressure, and Hot Air Furnaces, The Best Methods of Installing to Get Best Results, by J. L. Maloney..... 406
Boilers, Water and Steam, The Application of Appliances to, by R. Monroe..... 447
Boston Consolidated Gas Company, Profit Sharing with Employees as Arranged for by the..... 639
*Branch Natural Gas Burner, The..... 493
Bredel, Fred., Firing of Retort Benches by Battery Producers..... 54
Brief Notes on Capacities of Water Gas Sets, Some, by Rollin Norris..... 46
*Bristol Mechanical Time Recorder, The..... 852
*Building Gas Retorts, A New Way of, by Frederic Egner. 454
Bullock, C. L., Industrial Consumers of Large Capacity, The Best Methods of Handling..... 403
Bump, M. R., Electrolysis of Gas Mains..... 6
Burgess, Professor Charles F., Engineering Schools and those Engaged in the Gas Business, The Mutual Advantages to be Derived through Co-operation between.. 222
*Busey Babbitt Meter, The..... 586
*Business Headquarters, A Handsome..... 1073
Business, New, The Question of Advertising Charge to Secure..... 589
By-Product Coke Industry, The..... 502
By-Product Coke Ovens, The Disposal of Ammonia, Tar and Gas from..... 541

C

Caliper, Micrometer, Adopting the..... 942
Calorioric Value and Candle Power in Water Gas, A Balance between, by Thomas D. Miller..... 266
*Calorimeter, Gas, Raupp's..... 412
Calorimetry, Effect of Hydrogen in Oxygen Used for..... 896
Capacities of Water Gas Sets, Some Brief Notes on, by Rollin Norris..... 46
Carbonization, Notes on, by W. E. Hartman..... 52
*Carrying Wires, Using Gas Pipes for by George D. Rice.. 232
*Catalogue, The H. Mueller Manufacturing Company's New..... 632
Change of Grade of Mains at Galveston, by John Gimper.. 270
Chronic Kicker, The, and how to Handle him, by F. S. Springer..... 404
Clements, John, Canvassing, Art of..... 939
Cline, W. B., Gas Appliances, Should Gas Companies Engage in the Sale of?..... 760
*Coal Gas Benches, Flushing Apparatus for Hydraulic Mains of..... 809
*Coal Gas, The Removal of Naphthaline from—Third Paper, by A. H. White and J. M. Barnes..... 579
Coal Production in 1905, World's..... 457
Coal Tar, A New Use for: Inportant Information—Four Years' Results with Tar Coating Streets to Eliminate Dust, by Dr. Guglielminetti..... 143
Coal Tar Paint..... 589
Coatings for Steel, Protective, by Arthur B. Harrison..... 497
Cochran, Charles, Coal Analysis and the Coals of Colorado. 853
Coke Industry, The By-Product..... 502
Coke Ovens, By-Product The Disposal of Ammonia, Tar and Gas from..... 541
Comets in the Gas Industry, by "An Observer"..... 324
*Compensation, The Law of..... 765
Consolidated Gas Company, Boston, Profit Sharing with Employees as Arranged for by the..... 632
*Concrete Shingles for Roofing, Reinforced..... 457
*Consolidated Gas, Electric Light and Power Company in the Recent Industrial Parade, The Part Taken by the.. 721
Consumers, Gas Meters for Domestic, by A. G. Holmes.... 364
*Consumers' Meters: Causes of Variation in Proof, by J. M. Rusby..... 886
Control of Public Service Corporations, State Commissions for, by George McLean..... 452
Co-Operation between Engineering Schools and those Engaged in the Gas Business, The Mutual Advantage to be Derived through, by Professor Charles F. Burgess... 222
Consumers of Large Capacity, Industrial, The Best Methods of Handling, by C. L. Bullock..... 408
Converting Gasoline Engines to Operate on Producer Gas, Difficulties in, by J. E. Pfeffer..... 495
CORRESPONDENCE—
Special English Correspondence, by Norton H. Humphrys.....12, 188, 413, 545, 765, 985, 1161
Wood Gas for Illuminating Purposes..... 678
Cost, The Making of Rates and the Additional Business System of, by W. H. Gardiner, Jr..... 2
Creosoting Timber Plant at Shirley, Ind., The, by H. H. Knowlton..... 542
*Cross, F. L., Recording Calorimeter, Notes on the Design of a, with Data Obtained from its Use..... 673

D

Davies, F. J., Irish Gas Selling Methods of the Past and Future..... 435
*Design of a Recording Calorimeter, Notes on the, with Data Obtained from its Use, by F. L. Cross..... 673
Distribution, Gas, at Grand Rapids, by A. F. Traver..... 539
Domestic Consumers, Gas Meters for, by A. G. Holmes.... 364
*Draughting in the Gas Plant, Mechanical, by "R."..... 941
Dry Gas Meters, Large Capacity of "A," by A. G. Holmes. 365
Dust, Four Years' Results with Tar Coating Streets to Eliminate—A New Use for Coal Tar: Important Information, by Dr. Guglielminetti..... 143
Dust Layer and Weed Destroyer, Oil Tar as a, by George H. Waring..... 667
Dust Preventer for Public Roads, A, by Walter Lister..... 587

E

*Earnshaw, E. H., Experiments on the Removal of Tar from Water Gas..... 182
*Eau Claire (Wis.) Company's Proposed New Office Building, The..... 1160
*Economies in High Pressure Gas Transmission, Some, by E. A. Rix..... 805
Economy of the Gas Engine as against other Power, The, by William W. Welch..... 360
EDITORIALS—
American Gas Institute, Special Editorial Correspondence..... 709
Armington, Colonel James Hervey, Obituary Note.... 753
Automatic or Self-Closing Gas Burners, The Hearing before the Massachusetts Commission Respecting.. 534
By-Products Made Remunerative..... 221

Regret, Letters and Telegrams of.....51 138
Roll Call..... 359

*WRINKLE DEPARTMENT—

Automatic Shut off..... 317
Bar Pulling Device for Locating Leaks..... 316
Carbon from Retorts, Arrangement for the Removal of..... 316
Connecting Blower for Burning Out Retorts to Exhauster..... 323
Erection of a Large Tank Holder in Close and Dangerous Proximity to Two Underground Tank Holders in Treacherous Soil, The..... 322
Fire Bar for Regenerative Furnaces..... 314
Firing Back in Bunsen Burners, To Prevent..... 320
Gauges Located at a Distance, A Device for Reading. 321
Hot Coke Skip, An Improved..... 319
Hydraulic Valve for Operating Engine for Intermittent Blowers and Runs, in Water Gas Set, Description of..... 322
Individual Water Supply System for a Small Plant Located Near a Creek or River, An..... 316
Insulating a Service from Gas Main..... 321
Leaky Gasholder Tank, Supplying Water to a..... 321
Lime Stirring Device..... 321
Meter Prover Hose to Meter, Connection for..... 315
Meter Record Cards..... 315
Naphthaline, The Removal of..... 314
Obtaining Intermittently Direct Water Pressure on Spray of Fresh Water Scrubbers, Arrangement for..... 316
Outlet Cap for Meter Testing, Combination Large and Small..... 315
Outlying Holder to which Gas is Pumped by a Separate Pipe Line, Doing Away with the Necessity of Having the Holder Watched, Method of Handling 316
Oxide, Revivifying Heaps of..... 277
Photometer, Comparing Burners on..... 277
Plugging Up Abandoned or Old Services, A Simple Plan for..... 318
Pressure Chart, Using the Same for More than One Year..... 318
Putting Compound into Boiler with Ordinary City Water Pressure without the Use of an Injector or Boiler Feed Pump, Arrangement for..... 316
Raising Sewage from a Low to a High Level Sewer, at New Gas Works, Union Road Wellingborough, Description of Plant for..... 317
Regulating Air Purifiers..... 321
Retort House Governors and Method of Handling Holder Valves..... 277
Revivification of Oxide in Situ, A Method of Admitting Air to Assist..... 315
Separating Pea Breeze from Coke Dust, A Removable Screen for..... 320
Siphoning from Holder Tank where Exhaust Steam is Used, To Prevent..... 321
Slot Meter Rebates..... 315
Sulphur Test Glass, A Cheap and Handy..... 319
Temporary Supply while Relaying Mains..... 315
Town Supply, Preventing Shutting Off by Inadvertence..... 277
Water Heater..... 322

PAPERS READ—

Battery Producers, Firing of Retort Benches by, by Fred Bredel..... 54
Calorific Value and Candle Power in Water Gas, A Balance between, by Thomas D. Miller..... 266
Carbonization, Notes on, by W. E. Hartman..... 52
Electrolysis of Gas Mains, by M. R. Bump..... 6
Engineering Schools and those Engaged in the Gas Business, The Mutual Advantages to be Derived through Co-operation between, by Professor Charles F. Burgess..... 223
Gas Companies and their Employees, The Relations between, by J. M. Berkley..... 274
*Grade of Mains at Galveston, Change of, by John Gimper..... 270
*Illumination, The Engineering of, by Van Rensselaer Lansingh..... 92
*Labor-Saving Machinery for Medium Sized Retort Houses, by F. H. Shelton..... 229
Rates, The Making of, and the Additional Business System of Cost, by W. H. Gardiner, Jr..... 2
*Tar, Experiments on the Removal of, from Water Gas, by E. H. Earnshaw..... 182
*Tar in a Water Gas Apparatus, The Utilization of, by George H. Waring..... 49
*Water Gas Practice, by D. G. Fisher..... 139, 178
Water Gas Sets, Some Brief Notes on Capacities of, by Rollin Norris..... 46
